• *'Triveni' is devoted to Art, Literature, and History. Its main function is to interpret the Indian Renaissance in its manifold aspects.*

• *'Triveni' seeks to draw together cultured men and women in all lands and establish a fellowship of the spirit. All movements that make for Idealism, in India as well as elsewhere, receive particular attention in these columns. We count upon the willing and joyous co-operation of all lovers of the Beautiful and the True.*

• *May this votive offering prove acceptable to Him who is the source of the 'Triveni'—the Triple Stream of Love, Wisdom, and Power!*

The 'Triveni' Symbol

Padma (the Lotus) represents the purity of Love, Jyoti (the Flame) the light of Wisdom, and Vajra (the thunderbolt of Indra) the splendour of Power.
